13. Quatre Cent Quinze is a French label that sells its creations in concept stores worldwide such as Colette, Harrolds Australia and Alchemist in Miami. They mix modern and classic references on their clothing. All of their products come from organic cotton and are manufactured with great care in France. You can order their items now on their website www.quatrecentquinze.fr or call +336.41.81.50.77. Use this code for 5% off: GQ415. **14. Mr Robertson.** Where technology meets tailoring, Mr-Robertson.co.uk online suit builder allows you to design your suit, from fit and fabric to lapels and buttons, or choose a pre-designed suit. Enter your measurements for that perfect tailored fit, and see a digital 3D version of your suit take shape as you choose your customisations. Email customercare@mr-robertson.co.uk call 01277 352 750 or visit www.mr-robertson.co.uk or 73 Jermyn Street, +44 (0)20 7930 5336. **20. Holford & Harding** is a pioneer in the men's accessory market. They have developed a luxurious one of a kind accessory called Cufftips® that has revitalized the French cuff, adding a modern sophisticated style to this long standing tradition of men's apparel. Visit www.cufftips.com to view the whole collection or call (646)470-3388. **21. The British Belt Company** handcrafts the finest English inspired leather goods. The Holkham satchel combines antique looking leather and hand burnished edges for that vintage feel. For the full collection, visit www.thebritishbeltcompany.co.uk or call 01572 822261. **22. Collaterals** provide todays modern men with unique, elegant and stylish shirt collar fasteners (Collar-Links) and cufflinks which boast the latest technology and most innovative craftsmanship. The Collar-Links will take a collar from a button-down style to the classic collar bar look with no alteration to the shirt necessary. Using Flux Quantum magnetic charge technology which is ten times stronger than magnets they are a no-fuss, effective approach that allows an easy solution to fix one's collar in the desired place. Visit www.thecollaterals.com to find out more. **23. Cutme** products range from unique bags and belts to iPad cases and Leather Portfolios, which are each made from a high quality Italian leather known for its durability. Designed and hand crafted in a London based art studio by Marta Szkuclarek, CUTME accessories are handmade to the highest standard, with a particular attention paid to finish and detail. Featured here is the handmade Leather Portfolio, a sleek and functional product. No two are identical with each leather unique, aging and evolving beautifully over time. Visit www.cutme.me or call 07411 311973. **24. Lock Sicker** is a father/daughter small business located in Newport, RI USA. Their focus is on bringing premium jeans, t-shirts, belts, hats, bandanas, and sterling accessories to market. Lock Sicker's straight leg jeans are made in San Francisco, CA of Cone selvage 13.5oz. rigid denim \$168. Visit www.locksicker.com email contact@locksicker.com or call +1 401-835-2322.
